

First Aid Training for Volunteers

This FREE nationally recognised First Aid Training is a very worthwhile one day course for volunteers— especially those working outdoors in conservation or community gardens . Become a certified First Aid responder and learn the skills and knowledge required to provide first aid response and life support, and manage the casualty, the incident and other first aiders until help arrives.

Saturday 19 May, 9am-4pm

Greenbrook Community House, 40 McFarlane Crescent, Epping

Participants will receive the following certificates of attainment, subject to provision of their Universal Student Identification (USI):

- HLTAID001 Provide Cardiopulmonary Resuscitation
- HLTAID003 Provide First Aid

Participants are required to undertake some pre-course preparation (reading/online video) and supply their USI at time of registration.

Visit www.usi.gov.au to obtain a USI .

Places are limited, email bookings essential:
