About Greenbrook@Mernda Community Centre

Your local community centre has been re-opened and offers a range of affordable and accessible sessions and workshops, that have been modelled on the programs from Greenbrook Community House in Epping. Our combined vision is to provide an inclusive, accessible and welcoming social environment to all members of the community. We aim to provide a safe, warm, welcoming and fun environment where people can meet new friends, learn new skills and participate in their local community.

Class Information

Painting and Drawing

Discover your creativity whilst exploring a variety of subjects using water colour, acrylics and drawing materials. Suitable for artists exploring their own themes and enjoy being inspired by working in a group.

Beginners welcome.

Art 4 Kids

For creative primary school aged kids who love to paint, draw, build and make things in a friendly and fun environment. Learn and develop construction and design skills using recycled and natural materials and extend your imagination in fun ways through colour and line.

Open House and The Hive Busy Bees—Handcrafts and sewing

Drop in for a cuppa and chat, knit, sew, patchwork, embroider, bead, card making and more. Share skills and/or learn something new. Grab a book to read while you're here.

Mernda Seed Sow & Grow Community Garden

Join the Garden Group and share garden knowledge, build skills and enjoy nurturing the growth and sharing the produce. Ideal for all the family.
