Three homes have suffered minor damage after a fire broke out in Plenty Gorge.

The blaze was no longer spreading as of 11pm on Monday night, but conditions could change into the night.

Residents in Bundoora, Greensborough and Mill Park – and surrounding suburbs – are advised to remain vigilant.

So far, there has been no damage to houses but fencing has sustained ember damage.

The fire was initially brought under control on Monday morning, but weather conditions quickly worsened and fire broken containment lines.
