## LOCKDOWN CONTINUES

*As lockdown and the resulting COVID restrictions do not look like they are going to end very soon face to face classes will definitely not be starting before term 4 at the earliest. For this reason I thought I would include the ZOOM classes with vacancies that are available online. Some of these have been developed just for the lockdown period whilst others have been in operation most of the year. If you are interested in these classes you can either enrol online or contact me. Zoom links will be forwarded to you either by the tutor or by me once the enrolment is confirmed. There are also some tutors with face-to-face classes who are temporally using zoom until restrictions are lifted. Tutors have advised participants of the changes, however if you are interested in a class and are not sure if it is available online please contact me and I can provide you with the necessary information.*
