END OF TERM 3

Well we have reached the end of Term 3 and even though we have not really had many face to face sessions or classes it has been a very busy term with an increase in ZOOM classes, the AGM and of course the monthly morning teas. I hope that as we get closer to the start of term 4 (Monday 4th October) I will be able to announce the recommencement of classes other than ZOOM. I will be having a break next week and the WOTZON does not return until Sunday 3rd October in time to provide you with any updates that become available.

To all the tutors, especially those who have online classes or who have converted their face to face class to online, thank you for your commitment and looking forward to working with you next term.

I have advertise a new online class and an old one which, due to restrictions, is starting again up temporally.

Also enrolments for 2022 will be coming up soon (mid to late November) so keep an eye out for emails and notifications about the process. Of course we hope it will be face to face but unfortunately we do not control that side of the process.

Thanks again and have a good break.

NEW TUTORS/LEADERS NEEDED FOR 2022

We are still looking for members to become leaders/tutors for 2022. Classes can be either face-to-face or online and they can be as varied as your imagination allows. Discussion groups of any type (including films, books, etc.) are very popular as are walking, bike riding and exercise groups and dance groups. If you have a particular skill, interest or hobby why not share it with fellow Whittlesea U3A members. It is hoped that 2022 will be a little more 'normal' and we will have the opportunity to have more face-to-face classes, social activities and adventures. If you need more information or just have some questions about becoming a tutor/leader then contact me either on 0412230561 or on communication@whittleseau3a.org.au

You will find that there are very few hobbies or interests that others are not willing to share with you. Looking forward to hearing from you.

At the moment everyone is unsure as to the process the State and Federal Government are going to develop regarding proving you have been vaccinated. Smart phone can access your certificate through the MyGov app, however If you don't have access to a device to view your vaccine record, you can call the Australian Immunisation Register – 1800 653 809 and ask for a hard copy to be sent via post. Refer the information below

Australian Immunisation Register

Use this line to get an immunisation history statement if you need proof of your vaccines. 

If you call and ask us to post your immunisation history statement, it may take up to 14 days to arrive.
