LOCKDOWN/COVID RESTRICTION UPDATE

Unfortunately very little has changed in the way of classes since last WOTZON as we are still in lockdown. There have been rumours that with the increased numbers of vaccination we MIGHT come out of lockdown earlier, however these are just rumours and nothing official is available. There were some inquiries about the information that was placed about classes in the WOTZON last week. For this reason I have included it again with a few adjustments.

As always do not hesitate to contact me on communication@whittleseau3a.org.au or OR 0412230561 if you have any questions

FRENCH STREET POP-UP VACCINATION SITE -

AVAILABLE UNTIL 5.00PM SUNDAY 10th OCTOBER

The state government and various councils all over Victoria are setting up pop-up vaccination hubs in many areas. One such hub was set up at the French St. Hall in Lalor (closes tonight at 5.00pm). The purpose of these hubs is to make it easier for members of the local community to get vaccinated. Vaccination will be by walking up to the clinic and using the ticketing system provided on site. Interpreters are available to assist people who speak Arabic and Macedonian. Private rooms will also be available if required. The site is accessible and has toilets available.

Although this site closes tonight (Sunday 10th October) many continue to become operational. The Department of Health has also provided a fact sheet which, though it links directly to the French Street Pop Up, might answer some of your questions regarding vaccination in general.

A copy of this fact sheet is available on our website.

ENROLMENT INFORMATION

As Term 4 continues to speed quickly by enrolment for 2022 is being organised. It is hoped that there will be both face to face and online enrolments available however this will be very much based on what COVID restrictions are still in force and the Committee is at present working out the most logical way to proceed. If we only have online enrolment there will be a number of people who will be trained to provide you, the members, all the assistance needed to enrol quickly in the best method possible. Information will be provided in both the monthly **NEWSHEET** and the **WOTZON**. At this stage enrolment will be held towards the end of November with the calendar being available for you to check out early in November.

Tutors are still being sought to take new classes. These can be either face to face or online. Plus, the more varied the topic the better. Please contact me if you would like to discuss the possibility of you becoming a tutor. communication@whittleseau3a.org.au
