CHANGES TO COVID –19 RESTRICTIONS AS ANNOUNCED BY STATE GOVERNMENT

As we reach our 80% vaccination target more venues will be opened by the local council, libraries, indoor recreation centres etc. Peter Rodaughan, our Venue Coordinator is at this stage working with the facilitators of these venues to establish what will be available from Monday 31 October. More information regarding face to face classes will be published in next week's WOTZON.

Page 2 has a revised list of classes - Online and face-to-face that will be operating this week.

Members need to remember that the following conditions still apply with regards to the classes.

1. The resumption of a class is dependent on the availability of a venue and as many are provided to us by the City of Whittlesea we will need to wait for information from their facilitator.
2. A tutor may chose not to resume a class
3. All participants in face-to-face classes, the tutor/leader and participants need to be **fully vaccinated**.

As always do not hesitate to contact me on communication@whittleseau3a.org.au or 0412230561 if you have any questions

These ZOOM classes will continue to be available as usual. Some that were listed last week have been removed so please read list carefully.
