WELCOME TO LIFE AFTER LOCKDOWN

Well we have finally made it and life is starting to go back to some normality. On the 8th November classes (those listed in the WOTZON) at Peter Lalor Campus will be resuming even if it is only for a short time.

Once again the resumption of classes depend on the following:

1. A tutor may chose not to resume a class
2. In face-to-face classes, the tutor/leader and participants need to be **fully vaccinated**.
3. Until the end of November (or as advised by the State Government) when the next stage of restrictions is announced masks still need to be worn indoors.

Resumption of classes at other venues will be dependent on the operators of those venues (including the City of Whittlesea and Thomastown and Mill Park libraries) and at this stage no further information has been received.

As always do not hesitate to contact me on communication@whittleseau3a.org.au or 0412230561 if you have any questions
