NEWS OF THE WEEK

Hello Everyone,

It was a great start to Term 3 and even with the increase number of COVID cases members are still attending as many of the activities as possible.

Second week of term 3 sees a new language class called French Conversation with a new tutor. Have a look at the ad for further information.

Line dancing enthusiasts will be happy to hear that they will not miss out on an end of year dancing activity. In the coming weeks two (2) END OF YEAR EVENTS will be announced and advertised for enrollment.

- The first, on Monday 5th of December, will be a sit down lunch at Epping RSL costing \$30. It will include a 3 course seniors' meal with soft drinks and tea and coffee. There will be lots of prizes, raffles and fun (including Santa) but no dancing.*
- The second, on Wednesday 7th of December, will be a line dancing extravaganza. A social event where you will be able to dance until you drop. It will be held at Epping Memorial Hall and the cost will be a gold coin donation and everyone is asked to bring a plate of food to share.*

The exciting thing will be that both events will be for MEMBERS AND NON-MEMBERS. Non-members will need to pay an extra \$5. These events will be advertised in the calendar at the beginning of August with payment for the sit down lunch needed by October. SO WATCH THIS SPACE. Hope to get over 200 members and non members participating in each. Organise a table with your friends and fellow class members. Please contact me if you have any inquiries.

Thank you

Natalie Lim, Communication Manger/Course Coordinator

Harcourts Rata & Co

As many members are aware we have 2 very exciting Walking Football teams (ladies and men) who play and exercise every Thursday at Epping Leisure centre. The men's team has recently competed in a local tournament run by Football Victoria in collaboration with the City of Whittlesea and both teams have set their sights even higher. In November both the men's and ladies' teams will be travelling to the Gold Coast to compete in the Masters Games. They have been frantically raising money to help with this venture. On behalf of the teams, coaches and everyone involved I would like to thank [Harcourts Rata & Co](#) for their kind donation of \$1000 towards the cost of airfares and accommodation.

NEW COMPUTER CLASS

A NEW COMPUTER class has started at Thomastown Library beginning from 10.30. In this class, called Computers for Advanced Beginners 221MON25, Ben our tutor will discuss all aspects of computer use including OFFICE. If you are interested in this class you need to have a good understanding of computer use and have a desire to increase your knowledge. IT IS NOT A BEGINNERS' CLASS. Please contact me if you need further information or attend the class and discuss your questions with Ben.
